Dear _____,

Being involved in the theatre program truly one of the highlights for me as a student at Salina High School South. It is through my participation in drama club and theatre productions that I am able to improve my skills in the theatre arts. These skills – teamwork, organization, communication – will benefit me throughout my lifetime.

This is a very exciting time of year for us as we are preparing our season of shows. As we begin to plan and practice for these productions, we are seeking donations toward our department needs. Contributions of any size are greatly appreciated and will directly impact what we as students can accomplish in our department.

To give you an idea of what your donation could help provide, some examples are listed below:

- \$10.00 – a few rolls of 2 inch masking tape, paint rollers, or sewing needles/pins.
- \$25.00 – a sheet of plywood or microphone batteries for a performance.
- \$50.00 – a costume or a couple of gallons of paint
- \$100.00 – several sheets of Styrofoam for the set
- \$150.00 – printing of posters for a production
- \$250.00 – a new microphone or lighting instrument
- \$500.00 – a staff position such as costume designer or choreographer

All supporters of the Salina South Theatre Department will be listed in their respective categories in the playbills for each of our regular season productions. When you decide which level you wish to belong to, please, also indicate how you want your membership to be listed, (i.e. first & last name; Mr. and Mrs.; business name; etc).
