Dear Salina Business Person,

Salina High School South's Theatre Department is selling advertising space in the playbills of the three 2019-2020 main-stage productions.

Each production will run for at least three performances. With a seating capacity of 650 in our new theatre, over 5,000 playbills could be distributed to our audience members throughout the year. All of these people will be seeing your ad, which is a lot of advertising. Just think of the possibilities!

The prices we are asking for a full year of advertising space are:

1/8 Page: \$40.00

1/4 Page: \$70.00

1/3 Page: \$85.00

1/2 Page: \$110.00

Full page: \$180.00

Booster listing (Supporting Player): \$25.00 (this is not an ad)
- other booster levels are available - please inquire if interested -

If you would like to buy an ad, we would appreciate having your ad by October 10, or we might not be able to include you in our program for our fall production, which means you would miss out on some great advertising.

We are grateful for any help in supporting Salina South's theatre program and hope that we can provide you with valuable, quality advertising. If you have any questions, please contact Kate Lindsay at Salina High School South.

Thank you,

Kate Lindsay
Theatre Instructor
